

# SWIFT INSTITUTE OF NURSING

In our quest to provide globally competent, highly qualified and efficient nurses to the International Health Care delivery system SION has facilitated a Joint collaborative academic venture comprising of B.Sc. Nursing (Hons) program of one year duration with University of Bedfordshire UK.

This is the first International collaborative venture of SION which projects our drive to combine Indian Nursing student's knowledge, confidence & requisite skill and ensure that our graduates are highly attractive to employer's world wide.

The candidates who have passed GNM program of 3 year 6 month from India are eligible to pursue this programme. It comprises of 12 modules out of which four will be conducted at SION campus for 4 months at Rajpura, where remaining 8 modules will be conducted by Nursing faculty of University of Bedfordshire as regular classroom teaching learning.

## **The University of Bedfordshire**

The University of Bedfordshire is the largest higher education institution in U.K, providing excellent opportunities for people to access top quality higher education. While forging close links with UK companies to provide a broad range of training and accredited industry courses.
